

# Alumni Weekend 2017

Delta Sigma Phi - Alpha Iota

**Brothers,**

Please join the active chapter next weekend, Oct. 6-8, for Homecoming Weekend festivities! The actives are very excited to meet or catch up with alumni from near and far, and we have planned events each day to help facilitate mingling between fellow alumni and the undergraduates. Please see below for the order of events and feel free to bring family and other intimate guests to the tailgate on Saturday. If you do not have tickets to the football game, please feel free to watch the game at the house. If you do bring one or more guests, please know that guests need to stay in front of the house during the tailgate until 2 hours prior to game time because of Gamma Phi Beta's social policies. Thank you for understanding and we hope to see you soon!
