Alpha Iota Chapter | April 2017 Alumni Newsletter

## Undergraduate News

Brothers,

With only a few more weeks left in the semester, the chapter is excited for upcoming year-end activities! We have many big events coming up for both the actives and the alumni as well.

In past news, Delta Sig held the first annual Mom's Weekend, which was a huge success. Almost 30 ladies showed up for Mom Prom dressed up for the 80s theme. For the first event of many to come, we were thrilled with the turnout and we hope it keeps getting bigger and bigger.

Last weekend, we initiated one of our largest classes since the most recent recolonization. Twenty-five men went through the initiation ritual, bringing Alpha Iota's active roster to more than one-hundred members. We are extremely excited about the size of our chapter, as we benefit socially and financially, but even more excited about the quality of men our brotherhood now includes.

Coming up on April 18, we will be hosting the 4<sup>th</sup> annual Delta Sig Dog Days. This event is favorite among students, especially approaching finals week. Visitors make a \$5.00 donation to enter the event where they can play with service dogs, eat freshly grilled food, and take a break from the stress of the end of the semester. All proceeds go directly to the American Red Cross. If you would like to stop by, please let me know, but if you can't make it, you're more than welcome to make a donation at the link on the bottom of the next page.

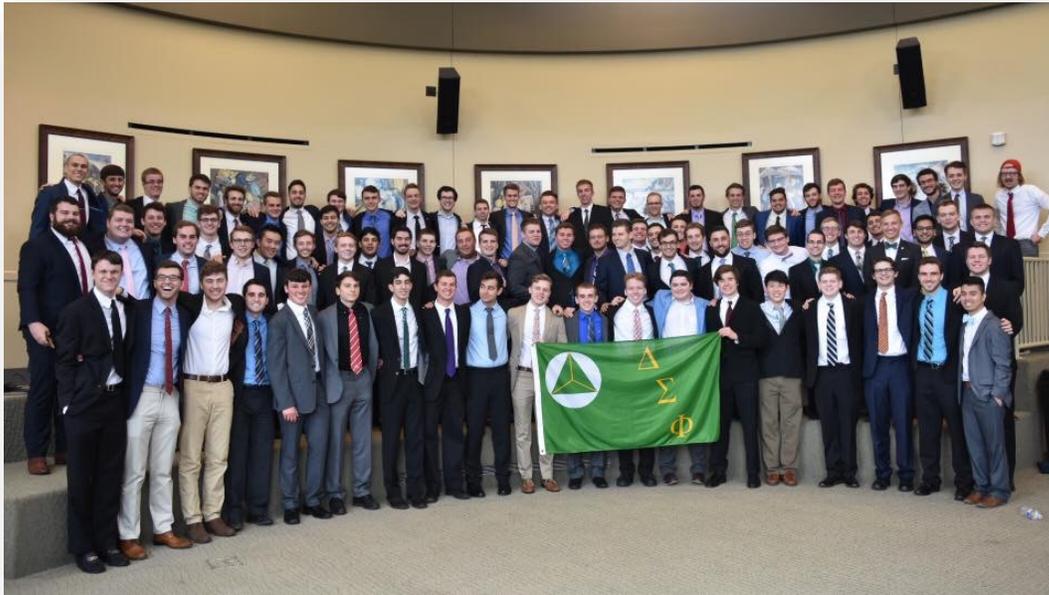

Also coming up are Formal 2017 and the Spring Alumni Cookout! Check the following page for an RSVP for Alumni Weekend and dates for the other upcoming events. We hope to see you all very soon!
