

FROM THE PRESIDENT

Brothers,

This is the first of what I hope to be many updates coming from myself and the undergraduates of the Alpha Iota chapter of Delta Sigma Phi.

I haven't had the opportunity to meet all of you, but I look forward to making that happen as soon as possible. We want the alumni of Delta Sigma Phi and Alpha Iota to stay current on our progress, so here is an update describing our work over the past few months.

Spring Achievements

- Top ten in Spring Quarter GPA among IFC fraternities
- Over 840 hours of community service completed
- 41 men initiated into the fraternity

Summer Planning

We have spent most of our summer focusing on recruitment and connecting with alumni base for a great fall class and Homecoming Weekend.

Alumni Activities

We are in the process of planning a reunion for Homecoming Weekend (Oct. 5&6) with the help of Kyle Pendleton, class of 1993.

Some of the plans include meeting at the Homecoming Parade on Friday, followed by dinner in Columbus and a social gathering for alumni shortly after. Prior to the game against Nebraska on Saturday, our chapter will provide a short presentation on our status and offer tours of campus. Invitations will be sent out in the coming weeks.

If you would like to get involved with our Homecoming plans or with our chapter, contact me or Vice President Tom Olen (olen.7@osu.edu).

Fall Plans

Besides recruitment and alumni relations, we have big plans for community service, philanthropy, and campus engagement. Every fraternity member at Ohio State is required to complete 5 hours of community service a semester. Delta Sigs are required to complete twenty hours. Paying it forward, helping others and learning from diverse experiences will help our fraternity men grow and develop. As you know, our national philanthropy is the American Red Cross. In order to raise money for their cause, we have begun planning "The Delta Sig Glazed Mile": the event is a 5k sprint requiring participants to eat half a dozen donuts throughout the race. Lastly, we hope to continue establishing ourselves on campus among student organizations, other Greek organizations, and Ohio State faculty and staff. Through combined events and programming like Welcome Week and Homecoming Week, we will expand our outreach. There are more serenades to come!

In the next few months, we will begin establishing our Alumni Corporation Board. If you have interest in serving on our ACB or as an advisor to the fraternity, contact Amber Huston at Huston@deltasig.org.

We are doing our best to become a successful chapter at Ohio State and a Pyramid chapter within Delta Sigma Phi.
