ALUMNI NEWSLETTER

Delta Sigma Phi – Alpha Iota Chapter

Dear Brothers,

The Alpha Iota Chapter is excited to keep you updated on what is happening in our chapter this semester! Things have been much different since March, but we are trying our best to stay safe and continue developing our members into Better Men.

Recruitment and Pinning:

The first thing we want to highlight is our freshly pinned new member class. Recruitment was conducted quite differently this year, as we had to replace standard recruitment events with more COVID-friendly options, such as one-on-one meetings and Zoom calls. Given the circumstances, we are excited to have pinned 10 new members into the omicron class through a COVID-safe ceremony in October.

Initiation:

Last semester, we were sent home a few weeks before our scheduled initiation. The new member class unanimously voted to wait until the fall to be initiated together in person. We were finally able to do that through a COVID-safe ceremony in October.

Other News:

This semester, our chapter won \$250 towards our philanthropy by winning a competition through IFC. We received the most likes on pre-designed Instagram posts relating to the importance of voting, which we posted daily. The proceeds are going to I Know I Can, the organization we normally fundraise for with our Delta Sig Dips event.

Elections:

This year, elections had to be held through Zoom. Thanks to President Matt Benge and Sergeant AC Secrest, the event ran smoothly.

The new executive board for the 2021 year is as follows:

President – Chris Ward

Vice President – Brandon Kwestel

Vice President of Membership Development – Eliot Ferstl

Vice President of Recruitment – Haden Fluharty

Sergeant-at-Arms – Josh Hogue

Treasurer – Tim Rogers

Secretary – Ryan Benefiel

The members of the new executive board are eager to start their roles as the next leaders of the chapter. Many of them have already started preparing and setting goals for next year. We are all excited to see what they accomplish.
