Alpha Iota Chapter | January 2018 Alumni Newsletter

Undergraduate News

Brothers,

Greetings. My name is Dan Casey and I am your new Alumni Relations Chair! I want to thank Ben Haller for all of his help in this transition. I was initiated in the Spring of 2017 class and I am excited to work with and meet all of you.

Last semester Alpha Iota initiated 18 new brothers, many of whom are already taking initiative and have leadership roles. One of the changes we made recently was the introduction of the Brotherhood committee. After attending RLA, several brothers felt adding a committee to strengthen the bonds between brothers was vital to our success as a chapter.

Alpha Iota also held our first fall philanthropy event since rechartering in 2013, *Delta Sig Bubble Burst*. The event was held at Lincoln Tower Park and benefited the charity, She Has a Name. She Has a Name is an organization located in Columbus that was founded to combat human Trafficking. The event raised \$1080 and featured 13 teams. We are excited to host this event in coming years.

After elections, the new executive board is, President Sam Hickman, Vice President Karsen Kaple, Sergeant at Arms CJ Higbea, Secretary Jamie Constantino, Treasurer Theo Randolph, Vice President of Recruitment Andrew Binder and Vice president of Membership Development Matthew Mears. This executive board is excited to continue the culture and success that you created.

As you may have heard from Ben Haller as well as others, Alpha Iota was not one of the 11 fraternities at Ohio State that was under investigation. As of January 10th, 2018 Alpha Iota has received permission to recruit. We are expecting a large class, since 30 seniors will be graduating this Spring. As Isaac Caverly once said, "recruitment never stops!".

Feel free to reach out to me anytime with any questions, comments, concerns or anything else that you need. Here is to a great 2018!

YITBOS,

Dan Casey

Alumni Relations Chairman
