Undergraduate News

Brothers,

As the weather is getting warming and the active brothers are working hard through midterm season, we have a lot of great news to announce. To begin with, Undergraduate Student Government elections are coming up very soon and we are honored to have our very own Stephen Post running for President. Stephen is a 3rd year Economics and Political Science major and a member of the Spring 2015 initiation class. To enhance Delta Sig's presence in student government, Stephen has a host of active brothers on his campaign team and senator slate. Students have voted and we all wish Stephen and his team the best!

This weekend, the chapter held Big-Little Reveal at the house in which the new members received their big brothers and further immersed themselves into our cherished brotherhood. The serenade team has been busy stealing the hearts of various sororities on campus such as Chi

Last Thursday was the second blood drive of the semester and it was a huge success. We had a great mix of brothers not only volunteering but giving blood as well! In addition to that service, the chapter also worked at Linden Gardens this weekend to clean up and beautify the area.

While the active brothers have had a busy semester so far, it's time to get the alumni involved! Please refer to the following page for details about Spring 2017 Alumni Weekend!

Spring 2017 Alumni Weekend Cookout

Who: *Alumni and active brothers*

What: *An informal cookout before the spring football game*

When: *April 15 (Time TBD)*

Where: *1952 Iuka Ave, Columbus, OH 43210*

Why: *We are always trying to coordinate events with alumni and active brothers mingling to keep alumni connected to campus and actives connected to our massive network of graduates.*

Last spring, the active chapter had an idea to bring together alumni and active brothers besides just Homecoming Weekend. We have found that the best way to do this is to invite alumni for a cookout at the chapter house before the spring football game because there is a lot of alumni traffic around the game and tickets are much cheaper than regular season play.

Our first event was in the spring of 2016 and we had a great turnout for its first year. Guests played corn hole, socialized with active brothers, and enjoyed the food provided. We are looking forward to having an even larger alumni presence this year! RSVP opportunities and specific details will be circulated closer to the event, so pencil in the date and look out for more information!
